

Ex*ectras

What People Are Saying

I am hearing great things across the country about Exectras from IPA leaders. They are saving about \$200 per month on average. Exectras is a no brainer, doctors save money – guaranteed - and the IPA makes money. It's worth your while to take a look at Exectras soon.

Operations

it helps you run your practice more easily and profitably and I love it. As head of the largest Independent Physician's Association, I'm always excited to find better ways for physicians to operate more successfully. Now I'm happy to say I found a great one: The Exectras Physicians Financial Health Plan.

Who We Are

Exectras leverages the buying power of over 800,000 businesses. We have negotiated the absolute deepest discounts available, with Fortune 500 companies, to provide our members access to the best-in-class, world-class business services that we know they use every day. Our average member saves over \$17,000 a year on everyday business services like Payroll, Small Business Loans, HR Solutions, Worker's Comp, Health Insurance and so much more!

WE ARE PASSIONATE ABOUT HELPING BUSINESSES SUCCEED.

We believe that small and mid-sized business entrepreneurs are the very heart of the American economy. Owning and operating these businesses can be an enormous challenge when it comes to paying for critical services and employee benefits. Small and mid-sized businesses usually don't get to enjoy the financial breaks afforded by big businesses or corporate enterprises.

Now they can!

We founded Exectras, built our network and vetted the most sought after service providers in the country in order to provide tangible support specifically for these businesses. We offer access to Fortune 500 business services, and benefits, at heavily discounted rates usually reserved for enterprise level businesses. **Join today and start saving immediately.**
